Members should contact their provider prior to scheduling an appointment to confirm if he/she offers the discount and fixed lens option pricing. Simply Vision Silver and Simply Vision Gold may include some lens options as an insured benefit. See contract for full details. Polycarbonate lenses are covered for dependent children, monocular patients and patients with prescriptions +/- 6.00 diopters or greater.

**Eyeglasses are available in lieu of Contact Lenses. Contact lenses are available in lieu of Eyeglasses.

***Collection is available at most participating independent provider offices. Collection is subject to change. Participating retail providers typically do not display the Collection, but are contractually required to maintain a comparable selection (in both quantity and quality) of frames that would be covered, with no additional member out-of-pocket expense. Collection is subject to change.
