*Discounts are not insurance. Discounts are subject to change without notice. Not all providers participate in Davis Vision Discounts, including the fixed lens option pricing. Members should contact their provider prior to scheduling an appointment to confirm if he/she offers the discount and fixed lens option pricing. Simply Vision Silver and Simply Vision Gold may include some lens options as an insured benefit. See contract for full details. Polycarbonate lenses are covered for dependent children, monocular patients and patients with prescriptions +/- 6.00 diopters or greater.

**Eyeglasses are available in lieu of Contact Lenses. Contact lenses are available in lieu of Eyeglasses.

***Collection is available at most participating independent provider offices. Collection is subject to change. Participating retail providers typically do not display the Collection, but are contractually required to maintain a comparable selection (in both quantity and quality) of frames that would be covered, with no additional member out-of-pocket expense. Collection is subject to change.

****Services will be deemed Medically Necessary only if:

- i.They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;
- ii.They are required for the direct care and treatment or management of that condition;
- iii.Your condition would be adversely affected if the services were not provided;
- iv.They are provided in accordance with generally accepted standards of vision practice;
- v.They are not primarily for the convenience of You, Your family, or Your Provider;
- vi.They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- vii.When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting.
